Subject: Microsoft settlement

Dear Attorney General Ashcroft:

I would like to see the Microsoft case settled. I believe the government was dead wrong to sue Microsoft. The company is not a monopoly and never was. The government has wasted time and the taxpayers money on this case. It is now time for your office to correct the stupidity of the past Justice Dept. which started this case. I due believe since 9-11-01 the entire federal government has more important issues to deal with. I have complete confidence your office will resolve this case quickly.

Sincerely,

Joseph D Krug
